

## Welcome to "Eagles Passports"

Every Aerie knows the importance of attracting new members and visitors. Likewise, visiting members often want a souvenir of their visit. I have created a product, fully licensed by the Grand Aerie which fulfills both needs called the "Eagles Passport". The passport, in combination with each Aerie's personal stamp, is an attractive, simple and inexpensive way to increase your bottom line through sales and also increased visitors to your club seeking to have their passport "stamped". The Eagles Passport is professionally made using state of the art printing and the highest quality papers to create a keepsake all members can be proud of.

You can order these online through our website at [www.passportcollectibles.com](http://www.passportcollectibles.com) or directly through me for only \$4.00 each (they sell for \$7.00). The \$3.00 profit goes to your club. 10% of all sales are returned to the Grand Aerie for their projects so, as you can see, everybody wins. The custom made stamps are available for \$16.00 but are free if you order 25 or more passports.

**Take advantage of our "Pay-It-Forward" promotion by ordering 100 passports and we will also send 20 passports and a free custom stamp to the Aerie of your choice.**

Our goal is to have all Aeries able to participate so we've done our best to keep costs down and the opportunities up.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Doug Scansen
